Tobacco Habit

Easily Conquered

A well-known New Yorker who has had wide experience, has written a book telling how the tobacco or snuff habit can be easily banished in three days without any return of the craving.

The health improves wonderfully after the nicotine poison is out of the system. Calmness, tranquil sleep, clear eyes, normal appetite, good digestion, manly vigor, strong memory and a general gain in efficiency are among the many benefits. No more of that nervous feeling; no more need of pipe, cigar, cigarette or chewing tobacco to pacify the morbid desire. The author, Edw. J. Woods, 534 Sixth Ave., 958 B, New York City, will send his book free on application, to anyone who writes to him.

Liquor Habit Conquered

After being a heavy drinker for years, I was cured and providentially came into possession of the true Remedy for overcoming liquor habit. The drinker who wants to quit forever, getting rid of the awful craving, can easily do so, losing no time and enjoying life better than ever before. **Marvelous success.** Safe, reliable, medically indorsed. **Inexpensive home treatment. Drinkers Secretly Saved.**

If a person is addicted so strongly he (or she) has lost desire to be rescued, he can be treated secretly; will become disgusted with odor and taste of liquor. Legions of testimonials verifying genuineness of my Method. Joyous news for drinkers and for mothers, wives, etc., contained in my **Book**, Mailed, plain wrapper, free. Keep this adv. or pass it on. POISONED

Terrible Effects of Nicotin

Legions of men die prematurely because their systems are poisoned by tobacco. Many commit slow, but sure suicide through chewing, others dip snuff, others stick to their pipes, others adopt cigars and still others cut off their usefulness by cigars. When the system has been saturated to such an extent that there is a need or craving for smoking or chewing, it is a sign of danger. The habit has become a diseased, life shortening condition. The weakest point of the system will first break down. In your case will it be nerves, kidney, stomach, blood, lungs or heart? Wouldn't you like a genuine release from the thralldom? Don't make the mistake of attempting to heal inflamed membranes and eliminate nicotine—nicotainin poisons by will-power; that is a foolish, sometimes fatal way of seeking relief. Get control of the habit gently, easily, surely. Buy Albro's No. 33 at the druggist's or send fifty cents (stamps) to Albro Co., 154 E. 32d St., 958 A, New York City. You are likely to ever afterward bless the day your attention was awakened by this notice. Selah!

THERE IS A DISEASE

The name is not often printed. However, everybody knows what it is and those who have that disease use Mercury, Potash, "606" or go to Hot Springs for treatment. Have you that disease? If so, write for our 100-page book, explaining how to obtain a quick and perfect cure without danger and at little cost.
